

THE LANTERN

AUGUST 2022 VOLUME 24 ISSUE 7-8

From the Superintendent

It has been HOT outside. I hope you have spent sometime inside working on your layout or something else related to model railroading. I would like to hear what all of you have been doing, maybe for Monthly Modeling or some other way. I have been doing some things on the layout, mainly adding details, although my wife helped me put a curtain around the layout. I think it makes a difference on how the layout looks.

This month's *Lantern* (see top of page 4) should include a slate of candidates for offices in Division 10. We have elections every two years and it is important to vote for those persons you wish to see lead the division. It is also important to consider running for a division office; Superintendent, Assistant Superintendent, Secretary, or Treasurer. The division needs volunteers to run for an office, or to do needed jobs, or just help out if we are to have a successful and rewarding division. We are all in this together.

As you know, we do not have a regular meeting in August but we do have two visits planned for August and both of them are very worthy to see. On August 6 we have a visit to the Grosser's near Eubanks KY. We have visited them many times before and Ray and Renee are the best hosts. I found out the steam engine that we usually ride, and incidentally owned by one of our division 10 members, will not be there this year for us to ride on. However, the L&N diesel will be available and we may be able to ride behind that. Renee said they also have new dioramas that we can look at and

to see other models of buildings she has made. There will be lots to see and good company always.

On August 13, the following Saturday, we will be visiting the excellent layout of John Bowling in Danville. John has built many scenes on his layout featuring many locations in Kentucky. Both visits are from 1 to 4 PM. Please see the "Around the Bend" on page 4 for more information on both visits. Google maps and a GPS will also be useful. Division 8 members have also been invited to both layout visits. (photos on page 3)

Other upcoming events you may be interested in are, one, the Ravenna Railroad Festival on September 10 and 11. The website is at www.railroadfestival.com. If you go to Ravenna for the festival you will see members of Division 10 around our T-Trak layout. That alone is exciting. We may be in the engine house, as last year, or they'll put us inside in the old maintenance building. Two, the Division 7 train show at 8940 Union Center Ave, West Chester, OH 45069 is October 8 & 9, and, three, the Division 8 train show in Louisville is at Holy Family on Poplar Road on November 12. Besides our two visits, you may wish to visit one or more of these.

Our next regular meeting will be September 3 and feature Charles Bogart talking about trains around Lexington. It will be at 1:30 PM as usual but it is too early to reserve a room in the library but we will inform you before the meeting. As always, if you have an idea for a clinic or presentation, please tell me. I want to present what you are interested in. You all take care. — Larry Smith

In Recognition...

Many thanks to folks listed in the column below. They have given their support for our club. We encourage all NMRA members to help with financial support to *The Lantern* and our website and the Division 10's activities. **Send your monetary contribution to our Treasurer.**

To be listed here your contribution needs to be at least \$20 in cash, or material valued at \$50, or a total of 20 hours time within the last year. Division 10 receives NO monetary support from the NMRA or the MidCentral Region. Div.10 is recognized by the US government as a 501c3 corporation and your cash or material donations may be tax deductible.

Report materials or time to Stew Winsteadley. To the right of each contributing member's name is the month of his or her latest contribution. Whenever one makes a contribution of money, material, or time, his or her date will be updated, and for new contributors, their name will be added. Anyone making a contribution will be listed below for 12 months.

John Wilshire	6/2022
Clay Faulconer	4/2022
Larry Smith	4/2022
Randy Coffman	1/2022
Harold Weinberg	1/2022
Donald Wilson	12/21

This **Call for Modules** is intended for those T-TRAK modelers that might be interested in attending the "Rails to Pittsburgh", NMRA Mid Central Regional Convention hosted by the Keystone Division.

The convention will be presented at The Doubletree by Hilton at Cranberry in a suburb of Pittsburgh on May 4-7, 2023.

The large layout will be hosted by the convention as an invitational layout and will be open to all modelers attending the convention.

The layout will occupy half of one of the hotel's Banquet Halls, in a room 64' by 60' and tentatively will be a three branch E shaped layout. The layout plan will support 80 double equivalent modules.

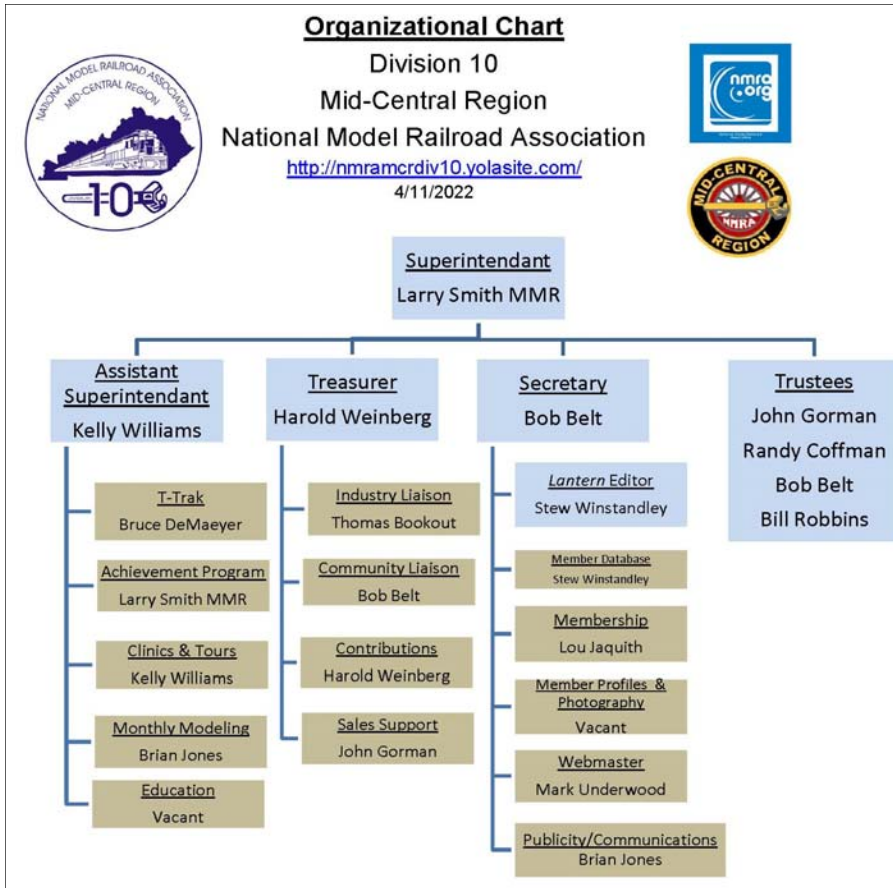

If you are interested in participating in this invitational Layout, please send an email to

bdemaeyer@att.net
