

Division 10
Mid-Central Region
National Model Railroad Association
7/14/16

A Board meeting of Division 10 was held on July 14, 2016, at the home of John Gorman. Present were Rick Cobb, John Gorman, Tom Krill, Tom Bensberg, Fred Plymale, Stew Winstandley and Bill Robbins.

The meeting was called to order at 7:15 p.m. by Superintendent Rick Cobb.

Rick asked John Gorman to report on a phone tree program that John recommends be used to provide meeting reminders and other urgent notices to members. The program stores member phone numbers. Authorized users record a message on the program and division members are automatically called by the system with the recorded message. The caller ID will be that of the person recording the message. John noted that this should work better than our current email system since some members do not have email and others do not check email on a regular basis. Cost will be about \$190 per year. More information can be found at <http://www.onecallnow.com/>

Fred Plymale made a motion that we adopt One Call Now. The motion was seconded by John Gorman. The motion passed unanimously. John will forward program information to Secretary Tom Bensberg for implementation which should be completed within a few weeks. Lantern Editor Stew Winstandley will include a notice about the system and request for current phone numbers in the next Lantern.

The slate of new officers as proposed by the Nominating Committee will be listed in the next Lantern with a request for additional nominations. The final slate and ballots will be included in the September Lantern.

There was some discussion about the future Trustees. It was agreed that Trustees will be named by the new Executive Committee as required by division Bylaws.

The meeting was adjourned at 7:49 p.m.
